< p > a few days ago, Mr dike will we introduced Ronnie Fieg and CAMINANDO jointly launched in the spring of 2012, the color is very rich, personal feel really good, have strong collocation. And when it comes to the cooperation of two people, and not for the first time, previously has been launched a boots, similarly to the four-color expansion, and the leopard print elements is become all the tide of the friends of the main purchase object, presumably you this before in this paper also had read.

< p > and just browse kithnyc.com, also found that the website that launched the Derby shoes produced a new catalog, the collocation method combined with the socks and stockings in two ways. At the same time also used the pant styles of different combinations, you may wish to draw, but would come in and say, now the temperature, we still choose no socks better!

[Chinese shoes Network - Brand Dynamics] Adidas very classic slogan: "Nothing is impossible." However, this statement does not apply to Russia.

Recently, Adidas announced that it will close 200 stores in Russia, mainly due to the poor economic situation in the country.

Adidas is very popular in Russia, and even the national soccer team wore

In the oil continued to fall, as well as a series of Western sanctions, the double pressure, rapid deterioration of the Russian economy. The ruble has collapsed, in just six months 40 percent devaluation. It is expected that Russia's gross domestic product will shrink 5% this year, while inflation is rising.

Statistics show that Adidas store in Russia around 1000. Russia's economic decline, Adidas losses.

Adidas chief executive Herbert Hainer said in a statement that "it is clear that Russia's economic contraction has brought to Adidas particularly affected consumer sentiment index continues to deteriorate."

The German sporting goods manufacturer claims that 2014 net income of about 650 million euros, lower than the target profit. 5, in the second round will be announced stock repurchase plan, Adidas shares rose 3 percent.

Adidas is not the first Western company to cut the Russian business. Fashion brand Esprit and River Island have announced will exit Russia. (Chinese shoes Network - the most authoritative and most professional shoe News Media Partner: Long faction Men true Australian Kangaroo leather.)

Hot weather continues, Undefeated is also closely followed the trend of the introduction of new Slide series of new slippers. From the brand announced the shape of collocation Lookbook can be seen, the series is mainly around the design of UNDEFEATED and Strikes Logo Five launched, each with two different colors, and selection of natural rubber material production of shoes body, and finally equipped with a little bit of fine lines EVA soles. It is reported that the series will be available in July 31st on the Undefeated global stores and online stores, including white UNDEFEATED models will be limited to the sale in Japan, please look forward to! with the culture of the shoes is becoming more and more strong, we can feel the charm of the shoes, so many people who love the shoes, the culture of the people who go out to travel. NIKE company is now a strong shoe culture launched a variety of Lifestyle basketball shoes, and Kevin & Durant (Durant Kevin) NSW KD7 exclusive Lifestyle series has recently launched a new color design. The high street profile specially designed, with white for presentation, showing the design level have a style of one's own sense. The details is inspired by Oklahoma City joined the aboriginal culture design of family name wind pattern decorative elements, have a style of one's own. This time the shoe will be in the near future in its designated shops began to offer, for which interested friends may wish to pay more attention to.
