[Chinese shoes Network - Brand Dynamics] Although Nike high hopes for the Chinese market, but continued to decline in the performance and the high inventory, let the coaching change can only be expected to rise by performance. Nike yesterday announced

that from June, the general manager of Greater China will be featuring the incumbent vice president Michael Spillane. Gary DeStefano, President of Global Operations, Greater China, Nike coach spoke highly of, "Michael will lead the development of the company in China. He has strong leadership, brand expertise and global experience, which will help promote Nike implemented in this extremely important area of ??continued growth. "

The industry believes that this paragraph has been implicit in the evaluation of the coaching change reason: I hope the new coach can lead the poor out of the Nike Greater China profitable, just released Nike reported a third quarter 2012 net profit big global next up 55%, the revenue Greater China region still down 9% over the same period last year, a drag on global performance. shoes analysts Magang says the problem is a common problem faced by Nike industry that inventory is too high. Previously, Nike has been closed only owned shoe factory in China, a number of stop orders sneakers Asian foundries, and the termination of cooperation with a number of Asian clothing foundries, now downsizing continues.
