has just found an interesting news on the popular Highsnobiety website, which is just a surprise three party joint shoe money, even said to completely subvert the hearts of people's minds, of course, so that innovation will not be rejected, because it is interesting enough. Remember previous kiDuty information introduced from London designers combine visvim FBT and new BALANCEla in brand new shoes, which is innovation, although not to "justify" products. < br / > the a Nike teamed up with Cole Haan and Tom Sachs tripartite joint out a a mission control Toms shoes, shoes to wingtip brogues for the design of the prototype, the black litchi grain leather material, and people are very familiar with the Nike swoosh standard has also been applied to the, such a lift absolute attracted the attention of many, only it was a pity it's not a will be available in the shoes, we only through the picture console oneself with false hopes.

As one of the world's most influential sports brand, Nike has been committed to the promotion and development of different sports culture, such as brand in Greater China region to carry out all kinds of basketball culture training activities, including the annual star visit and basketball training camp, will be designed to help young people continue to improve the level of basketball, and to produce a more profound understanding of basketball. With the arrival of summer, once in the last year caused sensation "play tricks" grassroots basketball is struck again for Nike also specially built the a series of "rise" don't note single product, in addition to the 5 III KYRIE 1, LeBron Soldier IX, Kobe Venomenon 5 KD Trey, also will bring a series of supporting T-shirt, provide better basketball equipment for small players. This year's "play tricks" will be held June 20 to 28 date, in 11 cities in the Greater China region tour selection, and ultimately selected 30 qualified players, Anthony Davis, Kyrie Irving, Kobe Bryant and LeBron James, special training, as for the documentary of the event will also in July formally launched, please do look forward to!

Mo Farah (Mo Farah), Galen Rupp (Galen Rupp) and Allyson Felix (Allyson Felix) not only are prominent achievements, they also have the ability to grasp, superior speed and adhere to the athletics sportsmanship. In the choice of running shoes, they are like Nike Zoom Air series is equipped with a Nike response -- most cushioning technology running shoes.

Sports player Concepts & timesNike SB "Grail" joint family 2015-07-23 11:38:59 Chinese shoes network cnxz.cn [Source: hypebeast] Print Close

Chinese shoes network July 23 hearing, following the preview published earlier, Nike SB and Concepts of annual joint series "Holy Grail" was released. Bring three Special Edition shoes, including Dunk Low, Dunk High and Stefan Janoski Max, around the theme of religious background, demonstrating different design concepts.

first-ever classic design with Nike SB Dunk Low as the blueprint for the shoe body with highly reflective shine material production, equipped with transparent soles, tongue left foot accompanied by a different color for the details, the overall feeling is very avant-garde daringThe Nike SB Dunk High will be full of religious church window flower pattern injection Gaotong shoes, rich colorsand finally Stefan Janoski Max places the church in the mosaic art as a concept, in particular to join the pink shoes who handle crack, texture full. And each design has more particularly cement and wooden version of the shoebox version available, high collection value. (.
