

adidas of Forest Hills is already well-known shoes, and in recent years, adidas also launched when engraved version, the original was born in Forest Hills 77 years, was to commemorate the Forest Hills in New York City West Side Tennis Club (tennis club) named, and the shoe body with the year provided by NASA ventilation system Ventilation System Design, and spend hard kangaroo leather and rubber sole production, it can be described as a pioneer in the use of sports shoes in the history of animal skins, but also in the subsequent rubber sole began to spread, Forest Hills no wonder so many years have been well received by many tennis Fans are also welcome. But this time the protagonist is the Forest Hills 72, in fact it is the predecessor of Forest Hills, has been launched in 1972, over the years due its status as an enhanced version of Forest Hills continued to rise, Forest Hills 72 has never been engraved too, this is a rare adidas chief designer Dean Lokes fancy engraved launch, how are worthy of celebration. Forest Hills 72, although no body starts at Forest Hills ventilation system, but spend the same on the production of kangaroo leather and soles with three vents to maintain air circulation, toe to spend a similar shell to enclose the head, covered shoes holes and ordinary rubber sole production. Since Forest Hills 72 year yield is extremely rare, and therefore I believe the vast majority of adidas fans have not seen their real body, I believe this is absolutely the engraved version appears timely.

It is reported that the contract Under Armour provided to Durant also includes equity and other incentives, such as: the construction of a mother with Durant named community center.

Last season, the total retail sales of Durant's signature shoe nearly \$ 175 million. Durant under contract with Nike, Nike has the right to match Durant get quotes from Under Armour. Even if Nike does not match, Durant can still choose contract with Nike; but if Nike match, then legally speaking, Durant would not choose to work with Under Armour.

It is worth mentioning that, if Under Armour final signing Durant, then this will be the history of the company signed the biggest endorsement contract amount. Meanwhile, the contract price at 265 to 285 million US dollars, which means that they will now have 10% of marketing budget spent on Durant's body each year. Although Under Armour expressed their revenue this year could reach \$ 3 billion, but only 1% is derived from basketball shoes.
