Following the May of this year released Hypervenom 2 football shoes, Nike overwhelmed and from the shoes derived out a new generation of free Hypervenom 2: Innovation of running shoes, and pre empt the release of the first wave of color "grey wolf". The vamp is still made from lightweight breathable Hypervenom material production, matched with shoes design and Flywire fly line technology make shoes more fit the foot, finally equipped with ink details free 3.0 running shoe show. It is learnt that the shoe will be available in July 6th at Titolo and other NSW designated retailers offer, interested friends may wish to pay more attention to.

last weekend my colleagues have the honor to take part in the Wangfujing, a Party, although I am not a person who is not a fan of the skate, but the cool of the action, I believe that many people will and I envy. Along with the good development of the slide culture, the sports equipment is also more and more popular. NIKE in this one as a pioneer in the development of the shoe, they design the III P-Rod has been a lot of people like! Shoes, shoes, bold use of narrow shoes shaped design was the focus of the time, you can imagine the foot was wrapped in shoes, and contact with the slide, the strong sense of touch will give you what kind of enjoyment! III P-Rod is a good foundation for the signature shoe series. Today, we have a group of new color matching, whether it is a good choice for us to wear on weekdays or on the slide!

[Chinese shoes Network - Scroll News] own factory production of sandals sold well, so purchase just bought some fake "Adidas" slippers sales, and ultimately, the plant director to be held criminally liable .

July 31, after Midong People's Court, Lee guilty of selling counterfeit registered trademark crimes, blankets fined 80,000 yuan, printed with "adidas" and three-lobed design trademark 13 million pairs involved Slippers be confiscated and destroyed.

Lee in Midong opened a shoe factory, which is corporate.

2012 In September 2009, seeing its own factory producing slippers sell well, find a way to brand near Lee. After he told the purchase of a factory in Fuzhou, printed with "adidas" counterfeiting registered trademarks of slippers 13 million pairs of shoes will be shipped back to the factory warehouse, failed to sell.

8 November the same year, when Lee factory Urumqi police inspect the scene seized and impounded 13 million pairs of sandals.

The police to Adidas Sports (China) Co. investigation, Lee company has not made use of Adidas letters and other patterns on slippers trademark licensing products, its products are counterfeit products.

After Urumqi price certification center identification, involving slippers worth 160,000 yuan.
